Availability: 3

Weight: 100.00g

Dimensions: 210.00mm x 150.00mm x
10.00mm

Price: \$25.00

Short Description

A small but concise guide to the natural history of the enigmatic Pig-nosed Turtle.

Description

The Australian Pig-nosed Turtle is an increasingly scarce title devoted to the natural history and other aspects of the obscure Pig-nosed Turtles from the "top end" of Australia. Authored by experts such as John Cann, it features sections on -

- History of Discovery
- Friends and Relatives
- Distribution and Habitat
- Nests, Eggs and Offspring
- Food and Feeding
- Effects of Season
- Value to Aboriginal Peoples
- Conservation and Management
- Commonly Asked Questions

**John Cann, Arthur Georges, Sean Doody and Jeanne Young. 37 pages. 2000.
