Short Description

An insight into one of Australia's most enduring herpetological society publications

Description

The Hawkesbury Herpetologist: Retrospective is an impressively comprehensive account of the history, activities and publications of Hawkesbury Herpetological Society. There are a total of 18 chapters, including *Hawkesbury Herpetologist Profiles*, *Throughout The Years*, *Men and Venom in Australia*, *Different Opinions Create Controversy* and *Remembering Some of our Great Herpetologists and Bushmen*.

This huge title is a testament to the brilliant committee and authors.

Frances Stopford and Stephen Boys. 2016. 307 pages. Hardcover. ISBN - 9780646957074
