## Short Description

A comprehensive guide to the Trans-Pecos Ratsnake.

## Description

**The Complete Suboc: A Comprehensive Guide to the Natural History, Care and Breeding of the Trans Pecos Ratsnake** was written with a true completest approach by ratsnake breeder, Dusty Rhoads. The publication presents an unprecedented wealth of knowledge about this handsome species. All of the known colour and pattern morphs that have ever hatched are displayed, as well as images of 25 specific localities of animals. Also featured is a bonus chapter on other western tatsnake species, plus a section devoted to notes on reproductive biology by David and Tracy Barker.

**Dusty Rhoads. 300 pages. 2008. Hardcover. ISBN - 9780978897956**
