Price: \$35.00

Short Description

A simple field guide detailing all 39 species of terrestrial and marine reptiles of Fiji.

Description

A Field Guide to the Herpetofauna of Fiji provides the resources necessary to enable the identification of the 30 species of terrestrial reptiles that occur in Fiji, as well as the 9 species of marine reptiles that occur along the Fijian coast. Information on their ecology is also provided. The book is aimed at the wider audience, so technical terms are kept to a minimum, and identification is based on easily seen characteristics.

Clare Morrison. 121 pages. 2003. Paperback. ISBN - 9820105579
