## Short Description

A complete guide to the 33 species of frog found in the Wet Tropics of North-East Queensland.

## Description

**Rainforest Frogs of the Wet Tropics - North East Australia** is a guide to the 33 species of frogs found in the World Heritage rainforest of the wet tropics region of north-east Queensland. Featuring high quality photographs, species level keys and relevant information, this is a great book dedicated to an area with one of the densest populations of frogs in Australia.
