Short Description

A brilliant book full of excerpts from previous publications that have been out of print for 75+ years. It provides the reader with stories of famous 'old' American herpetologists, such as Raymond Ditmars and Carl Kauffeld, as they search for Rattlesnakes.

Description

Rattlesnake Adventures: Hunting With The Oldtimers offers the amateur and the professional herpetologist an opportunity to relive the hunts and retrace the footsteps of Raymond Ditmars, Carl Kauffeld and others in their pursuit of Eastern rattlesnakes, including Timbers, Eastern Diamonbacks, Canebrakes and Massasaugas. Many of these stories are excerpts from books out of print for more than 75 years.
