### Short Description

Volume 7b details the agamid lizards of southern Asia, from the subfamily Leiolepidinae.

### Description

**Agamid Lizards of Southern Asia (Terralog 7b)** is the second of two books dedicated to the agamid lizards of Southern Asia. Concentrating on the subfamily Leiolepidinae, it features several species that have never been photographed in colour prior to its publication. Also included in the photographic content are images of juveniles, sexually dimorphic adults, habitats and much more. Husbandry information is also provided.
