Short Description

A high-quality, large format hardcover dedicate to the worlds testudines.

Description

Turtles, Tortoises and Terrapins contains numerous full page colour photos, many black-and-white photos, numerous fine line-drawings and maps. Publisher's original cream-coloured cloth, lettered in brown on the spine and with a brown image of a tortoise on the front cover, colour pictorial dust jacke, with clear protective jacket (not taped, easily removeable). A lavishly illustrated survey of the world's turtles, tortoises and terrapins. First published in German in Leipzig, this volume was translated into English in this first Australian edition.

This copy is in near-perfect condition.

Fritz Jurgen Obst. 232 pages. 1986. Hardcover. ISBN - 0333401328.
